Aims:

to promote internationalisation and transnational mobility in VET Institutes and organisations:

- > exchange good practices among organizations expert in transnational mobility projects;
- > foster the quality and efficiency of VET by providing the staff of VET organisations with specific European training on relevant issues related to mobility;
- > spreading the knowledge acquired at local level to address the need of improving competences and Capacities of local organization in implementing and managing European mobility projects;
- > increase VET and SME capacity to operate transnationally and promote work-based learning through mobility projects.

6 Training Events to be held in partner countries:

- > Competences of tutors and mentors in mobility projects (PT)
- > Intercultural issues in transnational projects (UK)
- > Ecvet methodology and the validation and recognition of competences (AT)
- > Itcs tools for the management of European projects (PL)
- > Quality in implementing european mobility projects (IT)
- > Dissemination and exploitation of results (MT)

1 Guidelines of Good Practices

1 Guide of Good Practices for the implementation of European mobility projects, accompanied by videos. Available on the project website as a free Online Educational Resource.

Local seminars in each partner Country

After each European Training Event, local **seminars to spread the knowledge** will be organized by project partners in their Country.
